Coach Beverly Thomassian RN, MPH, CDE®, BC-ADM

“We invite you to join our community of health care professionals who are passionate about improving diabetes care through education and advocacy.”

Beverly Thomassian, RN, MPH, CDE, BC-ADM, believes that we can improve diabetes care through education, advocacy and curiosity. As a diabetes specialist and coach, she promotes excellence in care through live courses and webinar presentations. Beverly is Founder of Diabetes Ed Services and Associate Clinical Professor at UCSF.

Intended Audience: These courses are designed for diabetes educators, including RNs, RDs, Pharmacists, Nurse Practitioners, Clinical Nurse Specialists, Physician Assistants and other health care providers interested in achieving excellence in diabetes care and becoming Certified Diabetes Educators®.

What can you expect from our online courses?

- On Demand video presentations and podcasts, you earn CE's on-the-go.
- Expert content based on evidence and national standards.
- Practice questions with each course, to simulate the CDE® Exam.
- Additional resources, handpicked by Coach Beverly to ensure success.
- Interactive lectures, quizzes and case studies to enhance your clinical practice.

“Beverly’s courses were so helpful in preparing for this difficult exam. I am proud to have taken these courses from someone equally as passionate about diabetes education.”
