We Plus You

SAVE THE DATE

10th Annual Pediatric Diabetes and Obesity Seminar

Friday May 11, 2018

8:00am-4:30pm

Sutter Health University

2700 Gateway Oaks Dr. Suite 2600

Sacramento, CA 95833

Presented by: Sutter Medical Center, Pediatric Endocrine and Nutrition Services

Mark your calendar for our bi-annual event. Our focus will be on the management of type 1 and type 2 diabetes, obesity prevention, the latest research in diabetes, difficult case studies with group discussion, and how happiness can effect chronic illness. In addition, we will have an exhibit hall with hands-on education regarding insulin pumps and blood glucose meters. We are targeting pediatric clinical providers including school nurses, dieticians, social workers, inpatient pediatric nurses, and any other healthcare or school professionals.

Cost: Non-Sutter employees \$75, Sutter employees \$50

Breakfast and lunch provided

Presentation slides will be available for you to print or download

CEU's for nurses will be offered.

To get on our the distribution list for registration, send your information to hannumr@sutterhealth.org
