Level 1 - Diabetes Fundamentals

“We believe in your success”
www.DiabetesEd.net

Level 1 | Diabetes Fundamentals

This series is designed for health care professionals who are interested in getting started in diabetes education and for those actively working toward becoming a Certified Diabetes Educator®*. Each course in this series provides the critical building blocks and foundation for those entering the diabetes field. Plus, they prepare you to advance to our [Level 2 Beyond the Fundamentals courses](#).

Diabetes Education Services Online University Courses are an excellent way to study for your exam anytime and anywhere that is convenient for you. You will have immediate access to your courses for 1 year after your purchase date.

Each individual online course includes a: 90 minute video presentation, podcast, practice test and additional resources. The content is designed to immediately advance your clinical practice plus move you toward your goal of achieving a higher level of expertise and comfort when providing diabetes education.

Earn 9.0 CEs

With your purchase of our Level 1 Diabetes Fundamentals, you have instant access to the six On-Demand courses via the Online University, PLUS you have been **automatically** enrolled in all live webinars.

Coach Beverly spent **January** 2018 updating all six of our Level 1 courses. This includes the 2018 ADA Standards of Care, Nutrition and Exercise, Insulin Therapy and more!

Level 1 – Diabetes Fundamentals Courses:

1. Getting to the Nitty Gritty 1.5 CEs
2. Nutrition and Exercise 1.5 CEs
3. Insulin Therapy & Pattern Management 1.5 CEs
4. Meds Overview for Type 2 – 1.5 CEs
5. Standards of Care 2018 – 1.5 CEs
6. Hypoglycemia, Sick Days, Foot Care 1.5 CEs

Intended Audience: All of our courses are knowledge-based activities designed for individual or groups of diabetes educators, including RNs, RDs, Pharmacists, Nurse Practitioners, Clinical Nurse Specialists, Physician Assistants and other health care providers interested in staying up to date on current practices of care for their patients with diabetes and other related conditions.

Be sure to **Download the CDE® Coach App**, which allows user to easily access the webinars from your smartphone or iPad. We know students are busy. That's why each of our courses also includes a free podcast, so students can listen on-the-go.
