

## Level 2 | Standards of Care Intensive 2021 | 20+ CEs

Our Level 2 Intensive Series is designed to engage students in deciphering and exploring the ADA Standards of Care from top to bottom. Mastery of this content is critical to ensure certification exam success and to improve clinical outcomes.

These **13 courses** are handpicked by Coach Beverly to inform your clinical practice and increase the breadth of knowledge across the lifespan and care continuum. We delve into special populations, pharmacologic manage-

ment, hospitalization, and more. Our straight forward course content summarizes key points and incorporates case studies and poll questions to enhance learning.
