

Level 2 | Standards of Care Intensive | 20+ CEs

This bundle is specifically designed for healthcare professionals who want to learn more about the ADA Standards of Diabetes Care for their clinical practice or for those who are studying for the BC-ADM or the CDCES certification exam,

In each webinar, Coach Beverly Thomassian, RN, MPH, CDCES, BC-ADM highlights the critical content of each topic area so you can focus your study time most efficiently. She also launches multiple poll questions that highlight key concepts to help students assess their knowledge and learn the best test-taking strategies.

Join us live for the 2022 Updates!

All courses air at 11:30 a.m. (PST)
