

Level 4 | Advanced Level & Specialty Topics | 13+ CEs

This bundle is specifically designed for healthcare professionals who want to learn more about Specialty Topics for their clinical practice or for those who are studying for the Board Certified in Advanced Diabetes Management (BC-ADM) certification exam.

In each webinar, Coach Beverly Thomassian, RN, MPH, CDCES, BC-ADM highlights the critical content of each topic area so you can focus your study time most efficiently. She also launches multiple poll questions that highlight key concepts to help students assess their knowledge and learn the best test-taking strategies.
