

Level 4 Series

Advanced Level & Specialty Topic Courses

14+ CEs | \$159 for One-Year Enrollment

Our Level 4 specialty courses are designed to address topics that enhance your clinical practice and explore emerging issues in diabetes care. If you are seeking CEs to renew your certification or preparing to take the Board Certification in Advanced Diabetes Management (BC-ADM) exam, you are in the right place.

You have immediate access to your courses one year after your purchase date. Don't worry if you can't attend live, we record all of our courses for on-demand viewing. We also offer yearly **extensions** on all our programs.
