DiabetesEd Training Conference 2025 | Bonus Courses

12 Online Recorded Bonus Courses Included!

When you register for our live DiabetesEd Training, you automatically receive a bonus bundle of online courses, valued at \$339! Coach Beverly carefully chose each of these bonus courses based on students' feedback on which content *best* helped them succeed at the CDCES* and BC-ADM Exam and in their clinical practice.

By offering these online courses, we can extend the education while keeping our prices low for the live conferences. Plus, you have access to these courses for 1 year after registration!
