

STRIDES FOR DIABETES

Diabetes Prevention Fair Sunday, October 14, 2012

- Rain or Shine -

Step Out to Combat Diabetes

There is a global epidemic of type 2 diabetes. Butte County has a higher rate of diabetes than the national average. Furthermore, one fourth of those with diabetes don't even know they have it. Diabetes can lead to serious complications and poses a tremendous toll on the health of an individual and the well being of our community.

Good News

80% of diabetes can be prevented through lifestyle changes. And if you have diabetes, there are lots of steps you can take to keep healthy and avoid complications. Join us to have fun, raise diabetes awareness, promote prevention and support diabetes education in our community.

Beneficiary:

Proceeds from this event will benefit the Feather River Hospital Diabetes Education and Scholarship fund. Education scholarships will be awarded to those who want to participate in diabetes self care training, but do not have the means to do so. The Diabetes Education Program at Feather River Hospital helps patients thrive and survive through group "diabetes survival" classes, individual training assessments and monthly support group meetings. For more information call 530-876-7297.

Event Schedule

- 7:15 – 8:00am** Registration
(Park Gazebo) T-shirt & packet pick up
- 8:00am** Warm up and welcome
- 8:15am** 5K Run Begins
- 9:15am** 3K and 5K Walk Begins
- 9:00 - 11:30am** Fitness Demos & Exhibits
