

Becoming a Diabetes Educator Boot Camp

Central Valley Association of Diabetes Educators and Diabetes Educational Services are teaming up to offer this exciting training program. Bring your family and enjoy the beauty of Wonder Valley as you learn the critical information needed to enter the dynamic and rewarding field of diabetes education and management

This program is designed for health care professionals (NPs, PAs, RDs, PharmDs, RNs, Case Managers, Social Workers,) who are interested in learning about educating and managing patients with diabetes. This three day program incorporates lecture and case studies to engage students and share the fundamentals of diabetes care and self-management. We focus on the science of diabetes but also incorporate educational principles and behavior change strategies.

★ Topics Include:

- *Diabetes—Overview, Trends and Goals*
- *Acute and Chronic Complications*
- *Medical Nutrition Therapy*
- *Medications—From Orals to Injections to Insulin*
- *Exercise Recommendations :*
- *Teaching and Learning Principles*
- *Special Populations: Child, Pregnant mother, Elderly*
- *Interactive Learning Stations and Role Playing*
