What did you think about the length of the first day? ___ Too short ☒ About Right ___ Too long

Which part of today's course was most useful to you? meds. I am grateful for Bev's
different perspective for explaining the meds - Thanks!

Do you have any additional suggestions or ideas that may help us improve this section? _____

Meeting Site Evaluation

Circle the number that represents your evaluation. Rating: 1 = Excellent 2 = Very Good 3 = Good 4 = Fair 5 = Poor

Overall satisfaction of meeting room location	1	2	3	4	5
Satisfaction of Meeting room comfort	1	2	3	4	5
Satisfaction of Meeting room; food and refreshments	1	2	3	4	5

Additional comments regarding the facility or meeting room experience? _____

Thank You for your help!

Diabetes Ed Course - Day 2 & 3 - Evaluation

Topic	Quality and Content of Presentation				
-------	-------------------------------------	--	--	--	--

Circle the number that represents your evaluation. Rating: 1 = Excellent 2 = Very Good 3 = Good 4 = Fair 5 = Poor

Day 2

Insulin Replacement Therapy (Bev) 1 2 3 4 5

Insulin Pattern Management (Bev) 1 2 3 4 5

Healthy Coping with Diabetes (Diane) 1 2 3 4 5

Microvascular Complications (Bev) 1 2 3 4 5

Behavior Change and Motivational Interviewing (Diane) 1 2 3 4 5

♡ Diane's teaching style but too much side talk - hard to follow, hard to determine WHAT exactly she is trying to tell us

Day 3

Medical Nutrition Therapy (Dana) 1 2 3 4 5

Meal Planning - How to Eat By the Numbers (Dana) 1 2 3 4 5

Exercise - Exhaustion to Endurance (Dana) 1 2 3 4 5

Circle the number that represents your opinion.

Day 2 was clear and organized.

Very Much 1 2 3 4 5 Not at all

Morning 3 was clear and organized.

1 2 3 4 5

The presenters' approach was effective (Diane Pearson)

1 2 3 4 5

The presenters' approach was effective (Dana Armstrong)

1 2 3 4 5

The presenters' approach was effective (Beverly Thomassian)

1 2 3 4 5

I would recommend this program to my colleagues.

1 2 3 4 5

I feel more confident about taking the CDE exam

1 2 3 4 5 NA

What did you think about the length of day two? Too short X About Right Too long

What did you think about the length of day three? Too short X About Right Too long

Which part of days two/three was most useful to you?

Do you have any additional suggestions or ideas that may help us improve day two and three? Day 3: please provide real life suggestions to get pts who cannot be gung he about veg diets. Most RDs don't have the benefit of being able to cook for their patients. Thank you very much for your dedication to diabetes education and care.

What did you think about the length of day two? Too short About Right X Too long

What did you think about the length of day three? Too short About Right Too long

Which part of days two/three was most useful to you? TWO - Insulin reviews / THREE -
RID spend more time on official recommendations - test based.
Not on personal preferences.

Do you have any additional suggestions or ideas that may help us improve day two and three?

Diane Pearson is very knowledgeable and fun to be around;
I found her teaching / presenting style difficult to learn
and identify needed information.
Thank you very much for your dedication to diabetes education and care.

Healthy Coping with Diabetes (Diane)

1 2 3 4 5

Microvascular Complications (Bev)

1 2 3 4 5

Behavior Change and Motivational Interviewing (Diane)

1 2 3 4 5

Day 3

Medical Nutrition Therapy (Dana)

1 2 3 4 5

Meal Planning – How to Eat By the Numbers (Dana)

1 2 3 4 5

Exercise – Exhaustion to Endurance (Dana)

1 2 3 4 5

Circle the number that represents your opinion.

Day 2 was clear and organized.

Very Much Not at all

1 2 3 4 5

Morning 3 was clear and organized.

1 2 3 4 5

The presenters' approach was effective (Diane Pearson)

1 2 3 4 5

The presenters' approach was effective (Dana Armstrong)

1 2 3 4 5

The presenters' approach was effective (Beverly Thomassian)

1 2 3 4 5

I would recommend this program to my colleagues.

1 2 3 4 5

I feel more confident about taking the CDE exam

1 2 3 4 5 NA

What did you think about the length of day two?

Too short About Right Too long

What did you think about the length of day three?

Too short About Right Too long

Which part of days two/three was most useful to you?

pattern management

Could listen to MNT for 3 days on it's own - So interesting!

Do you have any additional suggestions or ideas that may help us improve day two and three?

More pattern evaluation

More time for Dana, maybe less coping + m.I.

Thank you very much for your dedication to diabetes education and care.

Appreciate Dana's practice questions + her mentioning what was on test.
