Diabetes Education
SERVICES

Why Take the CDE Exam®

- ▶ Demonstrates to people with diabetes, employers, and third party payers that the CDE possesses distinct and specialized knowledge, thereby promoting quality of care for patients with diabetes.
- ▶ CDE® is the recognized standard for competence in diabetes self-management education.
- ▶ Given the diabetes epidemic, access to CDE s is critical

© Copyright 1999-2014, Diabetes Educational Services. All Rights Reserved.

Diabetes Education
SERVICES

What is a CDE®?

- ▶ A health care professional with comprehensive knowledge and experience in diabetes management, pre-diabetes, and diabetes prevention.
- ▶ Educates and supports people w/ diabetes to understand and manage the condition.
- ▶ Promotes self-management to achieve individualized behavioral and treatment goals that optimize health outcomes.

Diabetes Education
SERVICES

Professional Qualifications to take CDE - excerpted from NCBDE

- ▶ RN, clinical psychologist, OT, optometrist, pharmacist, PT, (M.D. or D.O.), or podiatrist w/ current license from U.S. or its territories.
- ▶ RD w/ CDR registration, PA w/ active registration with NCCPA, or exercise physiologist w/ active certification and Registered CEP® (master's degree).
- ▶ HCP w/ at least a master's degree in social work from accredited U.S. College

© Copyright 1999-2014, Diabetes Educational Services. All Rights Reserved.

Diabetes Education
SERVICES

2014 - Professional Practice Experience – Must meet all

- ▶ A minimum of two years (to the day) of professional practice experience in the discipline under which one is applying for certification
- AND
- ▶ Minimum of 1,000 hours of professional practice experience within the past 4 years in diabetes self-management education with a minimum of 40% (400 hours = about 8 hrs a week) accrued in the most recent year preceding application.
- AND
- ▶ Minimum of 15 clock hours of continuing diabetes education within 2 years prior to applying for certification.

What to Study?

Articles to Review

*ADA-Standards of Care PDF – This yearly publication by the American outlines the goals of care for diabetes management. Since it is evidence-based, it is a useful summary of the trials and research that the goals are based on. A must read for anyone entering the diabetes field or preparing to take the CDE® or BC-ADM Exam.

*AACE Comprehensive Diabetes Management Algorithm 2013. A must read for anyone entering the diabetes field or preparing to take the CDE exam to review this info carefully.

*The Scope of Practice, Standards of Practice, and Standards of Performance for Diabetes Educators (2011). Chicago, IL: American Association of Diabetes Educators – a must read for anyone entering the field of diabetes or as already in the field.

*Download CDE Examination Content Outline from NCBDE Handbook

*Screening and Diagnosis of Diabetes Mellitus 2014 - At a glance, it lists risk factors and diagnostic criteria for diabetes. A great tool for your practice with providers.

Taking the Test

- ▶ Questions
- ▶ Answers
- ▶ Pitfalls

© Copyright 1999-2014, Diabetes Educational Services, All Rights Reserved.

Diabetes Education
SERVICES

Reading too Fast Pitfalls

- ▶ Choosing a “good” answer, but not the right one for the stem
 - ▶ key intent of question
- ▶ Failing to read an important words (always, never, most, probably, usually)
- ▶ Choosing an answer you did not understand because the others seem too easy

© Copyright 1999-2014, Diabetes Educational Services, All Rights Reserved.

Diabetes Education
SERVICES

Empowerment Errors

- ▶ Focusing on the medical need rather than the psychosocial needs
- ▶ Failing to keep in mind the patient’s characteristics (age, type of diabetes, etc.)

© Copyright 1999-2014, Diabetes Educational Services, All Rights Reserved.

Diabetes Education
SERVICES

Thinking Pitfalls

- ▶ Imagining a right answer and getting thrown when it is not among the choices
- ▶ Over thinking question/answers
- ▶ Choosing an answer that did not fit the situation
- ▶ Being thrown by a technical term you did not know

© Copyright 1999-2014, Diabetes Educational Services, All Rights Reserved.

Diabetes Education
SERVICES

Take a Practice Test – Learn how to “work” test questions

- ▶ Make sure you REALLY understand the question
- ▶ Find the stem
 - ▶ Identifies key intent of the question
- ▶ Read all the options or answers
- ▶ Eliminate obvious wrong answers
- ▶ Select BEST option

© Copyright 1999-2014, Diabetes Educational Services, All Rights Reserved.

Diabetes Education
SERVICES

Look for Clues in The Answers

- ▶ If two answers are opposites or similar, one of them is probably correct
- ▶ Answers with the following words are usually incorrect: always, never, all, none, only, must, and completely
- ▶ Answers with the following words are usually correct: seldom, most, generally, tend to, probably, usually

© Copyright 1999-2014, Diabetes Educational Services, All Rights Reserved.

Diabetes Education
SERVICES

Getting to the Right Answers

- ▶ Do not leave any answers blank
- ▶ Look for clues in the question
- ▶ Don't get lured in by juicy answers
- ▶ Avoid imposing your life experience into the question/answer
- ▶ Keep breathing
- ▶ Even simple math problem should be worked out on scratch paper

© Copyright 1999-2014, Diabetes Educational Services, All Rights Reserved.

Diabetes Education
SERVICES

Three Types of Questions

- Recall – facts, principles, procedures
- Application – ie – application of knowledge that varies based on pt characteristics
- Analysis – integration or synthesis of a variety of concepts or elements (ie evaluating complex problems with many variables.
